LEADERSHIP

Leadership without accountability is dictatorship.

We offer transparency. You can know anything you would like to know that is not personally confidential to someone else, like their tithing record.

However, you can know the Pastor's tithing record at anytime.

STEWARDSHIP

1. Our church believes a tithe (10% of all our resources) is the minimum of where we begin our giving to the Lord through His church.
2. Our church is engaged in a financial campaign where we give above our tithes to retire our debt.

Missions Giving

Rainsville First Baptist Church gives 6.0% of all our tithes to the Cooperative Program of the Southern Baptist Convention. This giving is done on a weekly basis.

Our contributions to this fund is a voluntary decision on behalf of our church in order to support U.S and world-wide missions, six seminaries, and the work of the Alabama Baptist State Convention.

To access information regarding the Cooperative Program, please visit them online:
(<https://www.sbc.net/the-cooperative-program/>)

We also give 3.0% to the DeKalb Baptist Association.

We receive Mission offerings each week through your envelope giving and then a special Christmas offering for missions. This offering is called our "On Mission 1:8 Offering" and our On Mission1:8 Team recommends annually where this offering will be given and applied.

In 2020 the offering goes to support these mission endeavors:

Lottie Moon	40%
Annie Armstrong	20%
Sav-A-Life	9%
Kilpatrick Mission	9%
Alabama Children's Home	9%
The Summit of Fort Payne	9%
Myers-Mallory State Offering	4%
