

## What's Important Next ...

**Salvation**— Repentance of sin and a self-directed life and faith in Christ alone (His death, burial and resurrection).

**Sunday School**— This is the church, organized and mobilized to carry out our mission. Sunday School is the most important ministry of our church. Every person should be involved.

**Church Membership**— If you would like to join our church, you must first attend a New Member Class. At present, they are only available online at rainsvillefirst.com. After you have watched the three videos and downloaded the notes, let Bro. David know your desire to join.

### Nicaragua Mission Trip 2024

The tentative dates for Nicaragua Mission Trip will be November 20-27th, 2024. We will be working alongside The Hope Project. Mark your calendar and begin praying if this is something God wants you to be apart of!

### Church Directory

One of the many benefits of the Realm program is that it has a built in Church Directory. Since we no longer have a printed Church Directory, Realm is a vital part of creating community and connection within our church body. In order for all current attendees to have access to your basic information, such as address and phone number, your privacy settings may need changed. Changing this setting does not give anyone access to anything other than your basic information. You may also want to add a picture of yourself. This is especially helpful to newcomers to become familiar with their new church family. You can change this setting yourself or call the church office and Lori can change it for you. Follow these steps to change this setting in your app:

- Open Realm app and click "More" in lower right corner.
- Click your picture or your initials in the upper left corner (this will take you to a new page, just scroll down and click "Done")
- Click your picture or initials in the upper right corner.
- Click "Privacy" under account settings.
- Click "Anyone in the Church" then scroll down and click "Save".
